

3. stavs

Hand-drawn architectural floor plan of a three-story building. The plan shows a central corridor (83) connecting various rooms. On the left, there are rooms 84, 85, 86, 87, 88, 89, and 90, along with a staircase (91) and a small room (92). On the right, there is a large curved room (81) and a small room (82). The plan includes numerous dimensions and area calculations. A note "3. stavs" is written in the top left corner.

Key dimensions and calculations:

- Top left: $L = 4.40$
- Top center: 19.40
- Top right: 4.40
- Center: 83 , 143.7
- Bottom left: 84 , 85 , 86 , 87 , 88 , 89 , 90 , 91 , 92
- Bottom center: 81 , 373.6
- Bottom right: 82 , 169.1
- Bottom: 24.10 , 86 , 77.0 , 35.0
- Right side: 15.50
